13th Moon of the year of the White Planetary Wizard- Cosmic Turtle Moon of Presence.

How can I expand my joy and love?

In relation to the service wavespell of the year, that of the Red Magnetic Serpent, attracting the power of Life Force, and to the wavespell of the Blue Magnetic Eagle, attracting the power of Vision, this **13th Moon** relates to the 13th step of the wavespells and the possibility to be present and transcend through the energies of **the Red Cosmic Earth, kin 117, and the Blue Cosmic Hand, kin 247**

With the power of Navigation of the Earth and the power of Healing of the Hand we can transcend and go beyond the vision of what life force and sexuality can be after having flown in synchronicity and accomplished them. We will be supported in this task by the power of the Spirit of the Wind and the power of Free Will of the Human.

In Aura-Soma these codes relate to Equilibrium 17, The Troubadour Bottle, Equilibrium 7, the Test of Faith Bottle and Equilibrium 13, The Change in the New Aeon Bottle. In order to transcend we need to let go. Our heart needs to be healed and light and after being tested we need to let go the bitterness of the past and let joy guide us. The wisdom of the Human will be to listen to the call of the Spirit. We will connect to the Galactic Archetypes of the Navigator, the Avatar and the Prophet and the outward path of the Stars, the Chariot and Death in the Tarots..

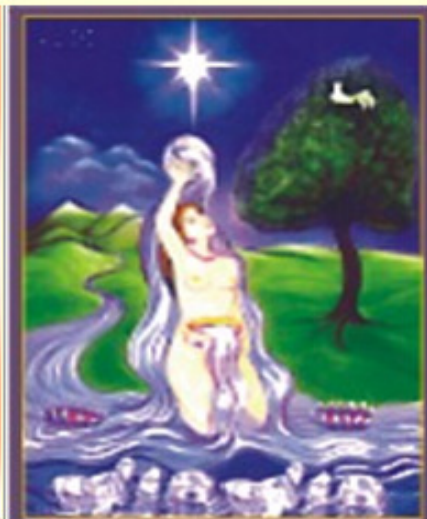

In this Moon the planetary influences are Uranus and Earth. Earth as the third experiment in the Galaxy. The possibility that a Spiritual, Inspired Human may choose to bring harmony into the Cosmos
