

Welcome to the Crystal Rabbit Moon of Cooperation, the twelfth moon of the Planetary Service Wavespell, holding the power of Crystal Cooperation: the ability to universalize our mind into a unified thoughtform in order to manifest (crystallize) a new reality.

In his book *Manifesto for the Noosphere, The Next State of Human Consciousness*, Jose Arguelles wrote the following regarding communication with higher intelligence:

"People often wonder why higher intelligence does not show itself so that everyone can see and know that we are not alone. That is not possible in our present state of consciousness, for otherwise we would not learn our own lessons.

"No one can come and save us from what our own thoughts and hands have put forth. We first have to take complete responsibility for that.

"When we as individuals and then collectively take complete responsibility as a planetary organism for what we have unleashed on the Earth, we will be poised to take a major step into the Noosphere.

"Higher intelligence will only enter active communication with a planetary whole (noosphere). If higher intelligence tried to communicate with ego, ego would only understand it on its own terms, egotistically. This does not mean that higher intelligence has not been able to find any pure channels ...

"Our dread that if aliens do exist that they would only want to make us their slaves and take over our planet is an imperialist projection, reflecting the dominator mind-set that currently controls our world.

"Through psychic communication, for the specific purpose of helping us make the transition to the Noosphere, the galactic intelligence has let many of us know that it is here and with us.

"The universal telepathic intelligence can communicate at any level, in any language or cultural ideology; and address truth according to the terms and norms of any belief system.

"In some cases it has been able to disclose certain structures of coded information and to download through particularly receptive and well-prepared mediums whole information banks of cosmic knowledge appropriate to the consciousness field of the noosphere." p. 108.

In the pulsar cosmology of the wavespell, the twelfth position or tone, corresponding to the twelfth moon, completes the third dimension mind pulsar that began in the fourth moon, the Self-Existing Moon of Form. This 12th position signifies the cooperation of form when we take stock of past actions and prepare future actions.

Bottle 2 will be the possibility to bring peace in the depth of the self and in the conscious mind and to communicate this peace. To become a breath of peace. ## **Moons of the year Red Solar Moon**

In relation to the service wavespell of the year, that of the Red Magnetic Dragon, attracting the power of Birth, and to the wavespell of the White Magnetic Wind, attracting the communication of the Spirit, this **12 Moon** relates to the 12th steps of the wavespells and their function of universalizing the purpose through **the Yellow Spectral Human kin 12 and the Red Crystal Skywalker kin 233**.

We can cooperate through wisdom and consecrate ourselves to free will for the purpose of giving birth to something new, being aware that we also need to attract the spirit and universalize the exploration of the space . We will be supported in this task by the knowledge and the power of accomplishment of the Hand and the letting go of the Worldbringer. In Aura-Soma these codes relate to Equilibrium 12, Peace in the New Aeon Bottle, and Equilibrium 13, the paths of the Hangman and Death in the Tarots, the Sage and the Prophet in the 20 Galactic Archetypes

The understanding that free will comes when we get aligned with the Higher Will and, through the peace that we bring to the depth of the self, we listen to the small voice within. The experiment of Free Will on the Earth. The Initiation we had to go through for having been enslaved in a wrong frequency of Time, being put upside down, at the beginning of the Cycle of History when the Earth entered the Synchronization Beam 12:60 (3113 BC).

For change to occur we need to die to what has been. The truth that we find at the moment of death. All that act in accord with truth are prophets.
