

## Welcome to the 2017 Planetary Dog Moon Edition of the Noos-letter

*Because everything perceived is an aspect of instantaneous universal synchronization, time is also the medium of instantaneous information transmission throughout the universe.*

—Jose Arguelles/Valum Votan

Welcome to the Planetary Dog Moon of Manifestation, the tenth moon of the Planetary Service Wavespell.

Now is the time to manifest the Vision that was initiated in the first Moon of this Spectral Storm year.

Today's multiple crises are calling on us to let go of the past and create the future. Many scientists believe that we are in the 6th extinction, with governments turning a blind eye to life-changing global challenges.

Currently, one-third of humans have inadequate access to clean, fresh water. The number is expected to increase to two-thirds by 2050. With 300 tons of radioactive water leaking daily into the Pacific from Fukushima, will the rapid acceleration of events cause a mass wake up?

To wake up is to **return to our Essence**, our true Nature.

This Essence has a direct hotline to vast databanks of memory and knowledge. It is here that fresh perspective and new solutions can be found. Everybody has the ability to access this.

In the pulsar geometry, the tenth tone is the final tone of the first-dimensional life pulsar that manifests the challenge. Now is the time to activate our Superconscious mind, open our hearts, **remember who we are**, stabilize the realization, and then act accordingly. The journey is the destination.

## Wavespells of the year Blue Spectral Storm kin 219

The wavespell of the year, the Red Magnetic Moon kin 209, is the 17 wavespell of the Tzolkin and in the Green Central Castle of Enchanting , Court of Matrix , that synchronizes the human and represents the power of Healing

The 10<sup>th</sup> Moon, The Planetary Dog Moon of Manifestation, is the 10<sup>th</sup> step of the wavespell and connects with the Planetary White Mirror, kin 218 –the day of the discovery of the tomb of Pacal Votan - and it is the possibility to perfect order so that we can manifest the reflection of what is eternal. As far as Aura-Soma is concerned we will connect to the Equilibrium 18–10: The Egyptian Bottle 1 and the Go and Hug a tree Bottle bottle. The more we heal the solar plexus and the issues of manipulation and abuse, the deeper we go inside our heart and become aware of the law of karma, especially in relation to Egypt

In the Major Arcana of the Tarots B18 is the outward journey of **the Path of the Moon** and in the 20 Archetypes of the Galactic Tree of Life: **The Yogi-Yogini**

### **Path of the Moon**

Intuition. Illusion. The unconscious. Trust in the feelings. Remember that all situations have two sides, one apparent, one hidden.

**Galactic Archetype: Yogi-Yogini** that dwells in an undistracted meditation and reflects the endless dream holding the key to the mirror universes

In the Major Arcana of the Tarots B10 is the outward journey of **the Path of the Wheel of Fortune** and in the 20 Archetypes of the Galactic Tree of Life: **The Compassionate One**

**The Path of the Wheel of Fortune** The cycles of time, the laws of Karma, cause and effect. New beginnings on all levels. What goes around comes around. Be prepared to change. The potential for great happiness.

***I am The Compassionate One – White Dog – Power of Love (Heart).***

***I am The Second Seat of Power. Cosmic Love is the power of the Compassionate One. Fulfilling the Dreamer's deepest dream is the Heart of the Compassionate One's Universal Love. Compassionate One's loyalty is his/her love for all beings. Artist's elegance awakens Compassionate One's love. From the Healer, Compassionate One learns the healing power of Love. The Compassionate One is also known as Bodhisattva, the one who vows to enlighten all beings through awakening their power of universal compassion. The Compassionate One takes many forms and works in innumerable ways. No act is too mean or low for the Compassionate One if it will make a better situation for another sentient being. To give without receiving, to love without being loved is the Compassionate one's ethic.***

Receive the Second Power of the Journey, Cosmic Love

Continuing our One Moon = One Kin count which began in the Magnetic Moon of the Yellow Overtone Seed Year (1997), this Moon corresponds to **Kin 257, Red Planetary Earth in the wavespell of the Star,** in the Central Green Castle of Enchantment, Court of Matrix, that synchronizes the human. Represents the power of Creativity

The 10th step of this wavespell relates to **Kin 257, Red Planetary Earth**, and it is the possibility to manifest synchronicity in order to navigate and flow in the evolution of the Earth. As far as Aura-Soma is concerned we will connect to the Equilibrium 17 –10: The Troubadour Bottle 1 and the Go and Hug a Tree bottle. The more we heal the heart singing our truth, the deeper we go inside our heart and release our karma moving towards the Dharma.

<b>Archetype: The Navigator</b>	<b>Tarot Card: The Star</b>
	

In the Major Arcana of the Tarots B17 is the outward journey of **the Path of The Star** and in the 20 Archetypes of the Galactic Tree of Life: **The Navigator**

**The Star:** A message of hope, a guiding light. Out of doubt comes inspiration. Have faith in the right path ( in what is true). Follow the star to reach the destination.

**The Navigator-** I am the indivisibility of all time and consciousness. I hold the maps of celestial origin and follow the signs of synchronicity on behalf of cosmic evolution. I am evolution in motion, the skilled star traveller guided by telepathic frequencies that hold stars and planetary systems in order.
