

There is nothing stopping the imagination from envisioning a civilization whose core is a system of telepathic technologies.

Welcome to the Self-Existing Owl Moon of Form! This is the fourth moon of the [Planetary Service Wavespell](#)

The totem for this moon is the owl of wisdom asking: Who? Who are we? Who are we becoming? The essential point here is being able to hear the voice of our essence. Everything depends on this. In the Self-Existing Moon, we ask ourselves: What form will my service take?

This Moon includes 6 **galactic activation portals**: The first is today, **Blue Self-Existing Night** (18 Oct), the first day of the Moon, resonating the whole moon as a galactic activation portal. The second is **Kin 50, White Spectral Dog** (25 Oct); the third is **Kin 51, Blue Crystal Monkey** (26 Oct); the fourth is **Kin 58, White Rhythmic Mirror** (2 Nov); the fifth is **Kin 64, Yellow Crystal Seed** (8 Nov); the sixth is **Kin 69, Red Self-Existing Moon** (13 Nov).

On the 18th day of this Moon (Nov. 4) we conclude the [812-day cycle of solar consciousness](#). It is an unprecedented time. This is a pivotal Moon, as new structures are being defined on the world stage. This cycle has seen the false grid/system revealing itself at an accelerated rate. Core beliefs are being shattered, and mass disillusionment is now occurring.

The final day of this 812-day cycle is **Kin 60, Yellow Galactic Sun**, birth signature of Pacal Votan from whose tomb all of this knowledge was derived. Pacal means “solar shield.” Stay tuned on this day to receive a message from Beyond.

On this day, 1414 days will have elapsed since December 21, 2012. Four days later is scheduled the U.S. presidential election, one spin before the **Yellow Crystal Seed** new year, Kin 64.

Within this U.S. presidential campaign we see the four key planets playing out once again: Mars (Death fear), Maldek (Sex taboo), Saturn (greed and materialism) and Jupiter (abuse of power). The galactic knowledge and mission is rapidly accelerating, parallel to the unfoldment of world events and machine technology. Our duty is to remain aligned with the Source, our Core Essence.

The Path of Strength: Confidence and trust. Finding the real strength comes from love of the self. Courage and fortitude, confidence in one's own abilities. In accepting ourselves we also accept others.

The Magician. The power of Magic as the display of illusion. Magic is the beginning of Prophecy, the first to be inspired by Urania, the Spirit Breather. He is the Transformer, the inventor of play and games, Master of Illusion.
