

Red Solar Moon, kin 9

Kin 9: RED SOLAR MOON

I pulse in order to purify
Realizing flow
I seal the process of universal water
With the solar tone of intention
I am guided by the power of life force

Galactic Archetype: The Healer

I am the Healer –also known as the Red Moon, the Purifier, the Naturalist, Guardian of the Moon and “Moon Priestess” by name. My number is 9, the power of time, destiny and the cycles of Life. I am the Second Source of Power in the Court of the Compassionate One: Power of Purification (Healing power of Universal Water of compassion).

Purification is the source and healing power of love. The Healer is the one who makes whole, who knows how to flow in wholeness, who knows how to mend what has come apart, and how to cool the discordant heart. The Healer is united with the power of the Dream. It is the Healer who transmits her healing power of purification to the Compassionate One as the Universal Water of all-healing love. The healer knows the ways of the Earth, the plants and the secrets of the animals. The healer teaches that self-healing is selflove, and that we are all already intrinsically whole.
