

Wavespells of the year White Planetary Wizard

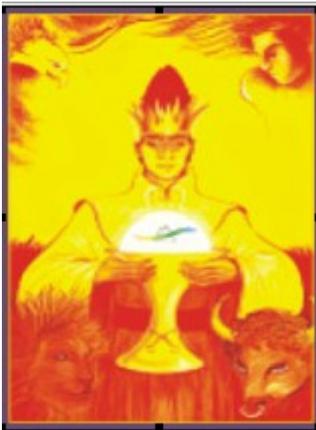

The wavespell of the year, the Red Magnetic Serpent kin 105, is the 9 wavespell of the Tzolkin and in the Blue Castle of Burning, Court of Death and represents the power of Life Force, the action of survival and the essence of instinct

The magnetic red serpent represents the purpose of the year . As far as Aura-Soma is concerned we will connect to the Equilibrium 105: Archangel Azreal and the possibility to recognize and connect to the Goddess within once we have healed the coral issues of repressed and abused sexuality that on the time line goes back to Maldek.

The serpent is the fifth solar seal and relates to B5 the Sunrise/Sunset Bottle, the 5th of the Major Arcana in the Tarots: **The Hierophant** and the 5th of the 20 Archetypes of the Galactic Tree of Life: **The Initiate**.

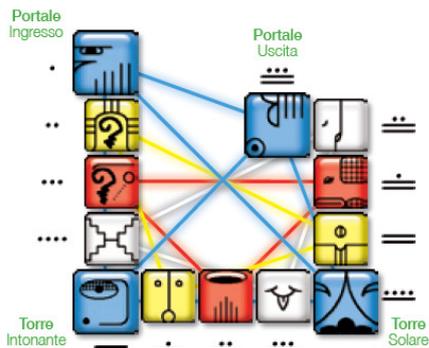

The Hierophant Detached and controlled. Intellectual leadership. A representative of spiritual values. The ability to carry on to chosen goals despite distractions.

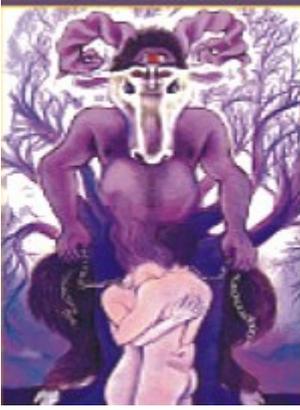

The Initiate: I am the Serpent Initiate of Wisdom – Red Serpent. I am the First Gate of Power: Power of Sex. Sex is the beginning of knowledge. The Serpent Initiate of Wisdom is the first to be initiated by the Primal Force Galactatron. By this initiation she gains the power to initiate and empower others in the timeless serpent wisdom that spans the world systems. The Serpent Initiate of Wisdom is the most ancient one; she is the possessor of all the hidden doctrines and mind treasures stored around the planet.

In relation to the wavespells that followed the Closing of the Cycle and the 16 years of the Cube of the Law (1996-1997- 2012-2013) this is the 19 and relates to the **Blue Electric Eagle**, in the Central Green Castle of Enchantment, Court of Matrix, that synchronizes the human. Represents the power of Vision, the action of Creativity and the essence of Mind.

As far as Aura-Soma is concerned we will connect to the Equilibrium 15: the Service in the New Aeon Bottle and Bottle 1, the Physical Rescue. It will be the possibility to bring Clarity and Healing to the shadow that lies in the unconscious and to our thought forms and beliefs. It is the 15 of the Major Arcana in the Tarots: **The Devil** and the 15 galactic Archetype: the Seer.

The Devil: A choice of direction. The beginning of understanding. Out of ignorance comes wisdom, out of darkness comes light. An opportunity to break free of self-imposed restrictions. " Things are not what they seem".

I am The Seer – Blue Eagle. I am the Fourth Source of Power: Power of Vision is the Creative Storehouse of Intelligence. The Seer is the second to receive the Innocent's empowerment of cosmic awareness. Through this empowerment, the creative mind of the seer opens to all the dimensions of time throughout the universe

Welcome to the 2015 Electric Deer Moon Edition of the Noos-letter of the Foundation for the Law of Time

Welcome to the Electric Deer Moon of Service! This is the third moon of the Planetary Service Wavespell.

In the Lunar Moon we passed the 14-year anniversary of 9-11, commemorated with the most powerful beams ever produced on Earth, with the Tribute of Light. This year, 2015 has been deemed the year of light and light-based technologies by the UN General Assembly.

Shortly after 9-11, Elon Musk suggested dropping nuclear bombs on the poles of Mars in order to get it warm up to prepare for human habitation. Musk is White Electric Worldbridger, a Martian sign.

Note that there are precisely 5,125 days between September 11, 2001 and September 23, 2015 (Equinox).

This is a fractal of the 5,125-year Great Cycle of history (3113 - 2012 AD). These dates are coded respectively by 4 Monkey and 4 Skywalker. (Note that 911 reversed is 119, the area code of Iraq).

This coming Equinox is significant as it is also coded by the Day of Atonement (Jewish Yom Kippur) as well as the Eid al-Adha (Muslim).

This day, September 23, also marks Pope Francis' first visit to the White House, which occurs on the day of President Obama's galactic signature: Red Self-Existing Skywalker, Kin 173 (the same galactic signature as Bill Clinton). Like the Worldbridger, the Skywalker is also associated with Mars.

Pope Francis is Kin 23, Blue Planetary Night, associated with Saturn. These are symbolic keys. (Also note that Washington D.C. used to be named Rome, and Rome used to be called Saturnia).

Five days later on White Solar Mirror (September 28, 2015) occurs the fourth lunar eclipse of the "blood moon" tetrad. This configuration will not occur again until 2032.

This Moon's totem animal is the deer, reminding us of the importance of staying in gentle attunement with nature. Replicas of the sarcophagus lid of the tomb of Pacal Votan in Chiapas Mexico are often carved onto deerskin. These are momentous times.

*In order to arrive you must follow the signs. God inscribed on the world the path that each must follow. It is just a matter of reading the inscription written for you. —Paul Coehlo, *The Alchemist**

3rd Moon of the year White Planetary Wizard

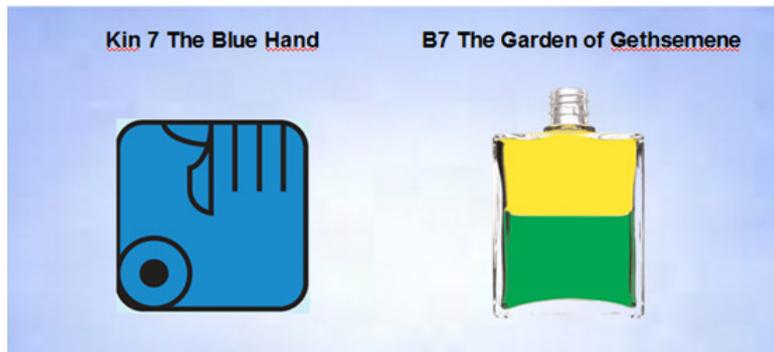

In relation to the service wavespell of the year, that of the Red Magnetic Serpent, attracting the power of Life Force, and to the wavespell of the Blue Magnetic Eagle, attracting the power of Vision, this **Third Moon** relates to the third step of the wavespells and their activation of the purpose for service, **the Blue Electric Hand, kin 107, and the Red Electric Earth, kin 237**

We can be of service activating our inner healing power and knowledge, flowing in what we want to accomplish for the evolution of our planet, in synchronicity with the heart and the earth, bonding Gaia and Uranus. We will be supported in this task by the wisdom of the Human and will be inspired by the the breath of the Spirit to reopen the flux tubes that were disrupted in the previous experiments in the galaxy. In Aura-Soma these codes relate to Equilibrium 107, Archangel Tzafchiel, that connects to the Archetype of the Avatar, that with love will help us to rescue our truth and rescue the earth from what brought her out of synchronic order, and Equilibrium 17, the Troubadour Bottle, the Outward Path of the Star in the Tarots and the Navigator in the 20 Galactic Archetypes.
